Howdy!

I hope you're enjoying your summer break and up to some wild and crazy things! But just remember... You get only one opportunity for me to bail you out... haha

I wanted to send you a quick hello and a reminder about the upcoming events we have scheduled (copy enclosed). Please check it out. If you happen to lose the calendar, you can find a copy on our website at: [www.d103.org/transportation](http://www.d103.org/transportation) under the tab "Driver's Corner." You'll also find some other things you may find useful throughout the year.

Dry Run Routes - Pick one day (or if you need more, that's cool just let us know) to come in and drive your route. Anytime between 7:00 AM - 11:00 AM. All of your routes have changed. Students have been moved to stops further from their home to lower ride times so stops will be different from last year.

Out Sourcing Update - The Board of Education has given Administration the green light to create bid specifications and to send out requests for proposals for out sourcing transportation. This simply means that the District is going to ask for bids so the Board and Admin have a better idea on the cost of out sourcing.

I hope you enjoy the rest of your summer! It's been too quiet around here. I look forward to hearing your laughter in the lounge (and our first potluck... Mmmmm)!

Take care of yourselves,

*Anthony*

Oh yea.... Don't forget! PHYSICAL – REFRESHER CLASS – CDL I should print this on a shirt! ☺
