

Construction has started! We need your help!

- Please closely examine the necessity of picking up your child from Half Day School. We **strongly** encourage all families to have their students use District 103 Transportation **TO** and **FROM** school each day to alleviate traffic congestion and backup. When applicable, we respectfully ask that **CARPPOOLING** be considered, if possible.
- Please note there may be construction traffic through the front drive during the day. **Be alert.**
- Half Day's West Lot is **closed** for day-to-day parking. **Short-term parking *may*** be available in the East Parking Lot. If there are no parking spaces in the East Lot, then you must park either at the church or at the Vernon Area Library using the spaces facing Indian Creek Road; and use the new crosswalk at Olde Half Day Road and Indian Creek Road, walking your child back to your vehicle.
- Please **do not "make up" a parking spot** if there are no parking spaces available, as this makes it hard for our school buses to arrive.
- Please know that **long-term parking** will only be available at the Vernon Area Public Library. We anticipate our parking lots will be **FULL** daily, so please plan accordingly, allowing extra time to accommodate your plans.
- The **main drive** is still open and will be used for **pick-up and drop-off only**. The entrance off Olde Half Day Road will include a small section for pick-up at the end of the day to create our "circle". Please follow the directions of our staff who will be coordinating traffic in the designated Pick-Up zone.
- For the safety of your student, drop off **only** at the sidewalk after the green fence. Construction vehicles may be driving in and out of the fenced area.
- **Please be aware that the use of cell phones while driving in any part of a school zone IS STRICTLY PROHIBITED and will be enforced.**

We appreciate your flexibility and patience as you pardon our dust! Feel free to contact us with any concerns at (847) 634-6463. Thank you for your partnership as we improve our facilities to enhance learning for our students!

As a reminder, Construction Updates can be found on the webpage at www.d103.org/construction2017.

In 1842, Half Day School was the first District established in Lake County, Illinois. In 2016, the school became a three-time Blue Ribbon School Award Winner for academic excellence! The school is located at 239 Olde Half Day Road in Lincolnshire and serves third and fourth-grade students. Half Day School is part of Lincolnshire-Prairie View School District 103, an award-winning elementary district serving approximately 1,750 students from the communities of Lincolnshire and Prairie View and portions of Buffalo Grove, Vernon Hills, Mettawa, Riverwoods and Lake Forest. For more information about the District, visit www.d103.org. For more information about Half Day School, call (847) 634-6463 or visit www.hd.d103.org.
