DISTRICT 103 ANNOUNCES KINDERGARTEN REGISTRATION FOR 2017-2018 TO OPEN ON DECEMBER 1, 2016

School District 103 announces that Kindergarten Registration will begin on Thursday, December 1, 2016, from 6:30 p.m. to 8:00 p.m. for children who will be five years old before September 1, 2017. Parents or guardians will need to bring the following in order to register a child:

- The child's original birth certificate or passport (a photocopy of the birth certificate and/or a hospital certification of birth cannot be accepted).
- Proof of District 103 residency. Requirements and actions that must be completed in order to establish residency in District 103 are provided in the procedure posted on our webpage at www.d103.org/registrationandenrollment.

Forms for required medical, eye and dental examinations will be available online or through your medical provider and must be completed and returned to Sprague School two-weeks prior to the first day of the 2017-2018 school year. These forms are state-mandated for entry into kindergarten.

For the 2017-2018 school year, parents will have the opportunity to select either the full-day (tuition based) or half-day kindergarten program upon completing our online registration process through PowerSchool.

- Dependent upon enrollment in half-day kindergarten, it may be necessary to create more than one section. To plan for the possibility and to ensure balanced class sizes, the first fifteen students who enroll in half-day kindergarten will be assigned to the morning program. The sixteenth through thirtieth enrollees will be assigned to the afternoon program. A minimum of one classroom will be dedicated to the half-day kindergarten program.
- Up to six classrooms will be available for full-day kindergarten classes depending on enrollment.
- For the tuition based, full-day kindergarten program, a \$500 deposit is required at registration. The deposit (check made payable to School District 103) must coincide with your completed online PowerSchool registration between December 1, 2016, and January 13, 2017.
- The fees for the full day kindergarten program for 2017-2018 will be \$3,710 (inclusive of the \$500 deposit) and will be posted on our website at www.d103.org.
- If numbers do not exceed classroom availability for full-day kindergarten by the end of day on January 13, 2017, then the first 120 students will be assigned to full-day kindergarten classrooms.
- If the number of students registering for full-day kindergarten exceeds 120 on January 13, 2017, selection for the full-day program will become lottery-based.
- Parents will be notified of selection for the full-day program by Thursday, January 19, 2017.
- If space remains in the full-day program after January 13, 2017, enrollment will be accepted on a first-come, first-served basis.
- All students registering after the 120th student will be put on a wait list for full-day kindergarten, in anticipation of spaces becoming available due to a variety of reasons.

(continued on page 2)

- The final day to opt out of the full-day kindergarten program without forfeiting the \$500 deposit is Thursday, April 13, 2017.
- We anticipate the starting and ending times for school days in 2017-2018 to be determined by the Board of Education in December 2016.

Any questions about Kindergarten Registration should be addressed to Dr. Christy Adler, Principal, or the Sprague School Office at (847) 945-6665.
