

# Boredom Busters

Hide a small object somewhere inside (or outside) your house. Make a treasure map and have someone use it to locate your "treasure". Remember X marks the spot!

Create a comic strip that is at least 6 boxes long. Be sure to include speech bubbles. Color it for an extra point.

Wouldn't it be nice to help with some chores? Your challenge is to clean your room & make your bed!

Bake a dessert using an online book or recipe. Follow each step and measurements closely.

Don't be bored...play a board game such as Monopoly or Scrabble! Read the directions out loud to the other players.

Write a letter to a family member or friend. Be sure to check for proper capitalization and punctuation.
