Dear Daniel Wright Families,

The goal of the Daniel Wright Junior High School Library is to maintain a collection of material suited for students in all grades, 6–8. Materials selected are intended to support the wide range of curriculum taught at Daniel Wright. They also provide for individual needs, interests, abilities, and maturity levels for all grades and reading levels of students.

Included in our library collection are books that have more mature content (equivalent to PG-13). These books may include some inappropriate language and more mature situations and/or subject matter. These books are predominately labeled with a “YA” (Young Adult) sticker on the spine of the book.

We respect the individualized beliefs of the families we serve and realize that parents may not want their children to select young adult literature. **Please complete the bottom of this form if you do NOT give consent for your child to read young adult resources from the Daniel Wright Junior High School library.**

If you have any questions please contact our Library & Media Specialist, Mrs. Tabatha Otto via email, totto@d103.org, or by phone at (847) 295-1560.

Sincerely,

Michelle Blackley, Principal
