Prairie View

School District

103

Background

Lincolnshire-Prairie View School District 103 is a nationally recognized, award-winning elementary district located in Lake County, IL. The school district serves approximately 1,750 students from the communities of Lincolnshire and Prairie View and portions of Buffalo Grove, Vernon Hills, Mettawa, Riverwoods and Lake Forest. Students attend Laura B. Sprague, Half Day and Daniel Wright Junior High Schools.

Educational Philosophy & Instruction

In District 103, we believe a collaborative school community, which employs best educational practices, involves parents, reaches out to the community, and relies on high quality leadership teams, is what forms successful students. Our Board of Education and school community are committed to this mission: to provide innovative learning experiences which empower each student to excel and make a difference in a diverse and interconnected world.

The District 103 instructional program supports our mission through a curriculum that focuses on skill development in core academic areas of reading/language arts, mathematics, science, and social science. The curriculum also develops students' skills in writing, technology, social and emotional learning; and it extends to music, fine arts, world language, physical education/health, family and consumer science, clubs, athletics and service learning. District 103 differentiates instruction to meet individual student needs by continually engaging students in stimulating and challenging learning activities. We also utilize a Response to Intervention (RtI) plan that ensures effective academic support for students through research-based teaching strategies and materials. For additional insight to our curriculum, annual goals, strategic plan, and more, please visit www.d103.org/curriculum. The professional family of School District 103 is committed to providing a sound, high-quality educational program reflecting best practices within our Leaders-in-Learning vision.

School Report Cards

Results from the latest Partnership for Assessment of Readiness for College and Careers (PARCC) tests confirm our recognition as one of the highest academically performing elementary districts in the state. To locate school report cards, compare districts and more, please access the Illinois School Report Card web site at www.illinoisreportcard.com.
