

# STEM with SteAm in Lincolnshire

**January 26, 2019**

## Polymers, Potions, and Bubbling Lava Lamps

Create slime and other slippery substances, cause weird chemical reactions, and concoct creative scientific solutions! Grades K-4

## Luminescence, Combustion, and Chemical Reactions

Delve into the properties, chemical reactions, and physical changes that occur in exciting hands-on and demonstration experiments! Grades 5-8

**March 16, 2019**

## Exploring Physics

How do gravity, balance, and energy play a role in everyday life? Experiment, explore, and investigate as you rotate between stations featuring intriguing hands-on labs. Grades K-3

## Testing the Limits of Physics

Investigate phenomena that venture beyond so-called physical limits. Create contraptions that utilize principles of power, force, and energy. Grades 4-8

**Daniel Wright Junior High School**  
1370 N. Riverwoods Road  
Lincolnshire, IL 60069

**Saturdays**  
January 26 and March 16, 2019  
2:00-4:30 p.m.

**Tuition: \$45/session**
